APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the number of stock watered daily, which number must be stated in the proof of beneficial use when filed. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0164

cubic feet per second, or sufficient to water 500 head of cattle and 25 horses.

Actual construction work shall begin on or before September 11, 1954

Proof of commencement of work shall be filed before October 11, 1954

Work must be prosecuted with reasonable diligence and be completed on or before September 11, 1955

Proof of completion of work shall be filed before October 11, 1955

Application of water to beneficial use shall be made on or before September 11, 1956. Proof of the application of water to beneficial

use must be filed with State Engineer on or before October 11, 1956

MAY 14 1951
Proof of commencement of work filed OCT 13 1954 WITNESS MY HAND AND SEAL this 11th day

Proof of Completion of work filed OCT 6 1955 of March, 1954
